

## ENATAI BEACH PARK

---

*Enatai Beach Park is a waterfront park with scenic views overlooking Lake Washington.*

PWL Partnership and Bob Erickson collaborated on the design and implementation of Enatai Beach Park. It is a place for family gatherings, picnicking, fishing, and renting non-motorized watercraft. The existing fishing pier was maintained and integrated into the revised site plan. This destination waterfront park has become a loved addition to this Bellevue neighbourhood creating new play and recreational opportunities.
